<b>International Relations</b>	At least 15 questions in last 3 years. All Current Affairs based! Don't waste time on anything other than current affairs for IR. My compilations will cover it all.
<b>Economy</b>	More static than current as 2025 paper was application based.
<b>Science</b>	6 years i.e. 2020-2025 show that science is 75% current affairs based. I expect more
<b>Modern History</b>	Read spectrum in detail. Questions will be tough as they were cakewalk in 2025.
<b>AMAC</b>	AMAC has around 8 questions in each of last 3 years. 2025 was on easier side. Expect tough questions in 2026. Prepare 2 sources. Multiple readings.
